# BILKENT UNIVERSITY
## Engineering Faculty
## Computer Engineering Department

## Summer Training Grade Form

### Confidential

**Name, Surname** : Oguz

**Company name and department:** micro

**Course** : CS 299 [X]     CS 399 [ ]

---

**Part-A: Work place**

Average of the grades on the Summer Training Evaluation Form

(Staj Degerlendirme Formu) filled by the employer                    :___**8**___
*To be satisfactory, average of the grades on the "Staj Deerlendirme Formu" must be at least 7.*

Is the work done related to computer engineering? [Y/N]              :___**Y**___

Is the supervisor a computer engineer or

has a similar engineering background? [Y/N]                          :___**Y**___

*...... If all conditions in Part-A are satisfied, continue to Part-B, else mark Unsatisfactory in Overall Evaluation .......*

---

**Part-B: Report          Satisfactory [X]          Revision required [ ]**

**If revision is required, changes needed must be stated on the report. The report is returned to the student until satisfactory.**

**Due date for resubmission:**                                      **....../......./20....**
*Student is given two weeks for each revision.*          *To be set by the department secretary*

*......... If the report in Part-B is Satisfactory, continue to Part-C, else return it to the student for Revision ..........*

---

**Part-C: Final version of the report**

**Based on the final version of the report, as evaluated on the back side of this form:**

Assessment/quality score of Evaluation of the Work - item (1)       :___**7**___
*To be satisfactory, the score must be at least 7/10.*

Sum of the Assessment/quality scores of Evaluation of the Work - items (2)-(6)  :___**40**___
*To be satisfactory, the sum must be at least 25/50.*

The Assessment/quality score of Evaluation of the Report           :___**8**___
*To be satisfactory, the score must be at least 7/10.*

---

## Overall Evaluation          Satisfactory[1] [X]          Unsatisfactory[2] [ ]

**Evaluator:**                    **Name, Surname:** David                    **Date**

**Signature**

**29/5/2023**

---

## Evaluation of the Company/Department

[ ] I strongly recommend this place for future students
[X] I am satisfied with this place
[ ] I recommend this place not be allowed for future students.

---

[1] In order for the Summer Training be satisfactory, all the conditions in Part-A, Part-B and Part-C must be satisfied.

[2] In this case, the Summer Training has to be repeated.

| Evaluation of the Work | On what page(s) of the report is the evidence of this found?[3] | Assessment/quality score (from 0=missing to 10=full) |
|---|---|---|
| (1) Able to perform work at the level expected from a summer training in the area of computer engineering. *(this is the evaluation of all the work done in the summer training)* | 12 | 7 |
| (2) Solves complex engineering problems by applying principles of engineering, science, and mathematics. | 1,2,3 | 8 |
| (3) Recognizes ethical and professional responsibilities in engineering situations. | | 9 |
| (4) Able to make informed judgments that consider the impact of engineering solutions in global, economic, environmental, and societal contexts. | | 10 |
| (5) Able to acquire new knowledge using appropriate learning strategy or strategies. | | 6 |
| (6) Able to apply new knowledge as needed. | 1,4,6 | 7 |

| Evaluation of Report | On what page(s) of the report is the counter evidence of this found? | Assessment/quality score (from 0=missing to 10=full) |
|---|---|---|
| Able to prepare reports with high standards in terms of content, organization, style and language (the Summer Training report itself is to be evaluated) | 34 | 8 |

---

[3] If you think that a question does not apply to this particular summer training, please write NA (not applicable).
